Check with your local consulate or embassy for visa requirements.

VISAS:
The Netherlands: https://www.schengenvisainfo.com/netherlands/visa/
Italy: https://www.schengenvisainfo.com/italy/visa/

If your nationality requires a visa to enter The Netherlands or Italy, the standard rule is to apply at least 20 days before your trip. However, we strongly recommend that you apply for visas as soon as your flights are scheduled.

U.S. Visa Holders - Non-U.S. participants who hold U.S. visas, such as an H1B, J1, or TN, and who plan to return to the U.S., should ensure that their visas do not expire during the cruise. IODP will not be liable for any costs incurred to participants as a result of inadequate or expired visas.

Failure to meet each country’s visa requirements may prohibit the boarding and disembarking of shipboard personnel and is subject to immigration detention.

PASSPORT INFORMATION
Everyone sent their passport to Donna when they accepted the invitation to sail, but please check that your passport does not expire within 6 months of the expedition. Passports are required for all participants because the ship is Cyprus registered. Passport information MUST be sent to IODP – IODP is required to forward this information to the agents in the port cities prior to your arrival to satisfy Customs & Immigrations requirements, and to facilitate your entry into the country and your embarking/disembarking the ship. If you have not already sent this information to Donna Hoover (hoover@iodp.tamu.edu), please do so at your earliest convenience.

LETTER OF INTRODUCTION
This letter explains the purpose of your travel and should be used only if questioned by officials en-route to your destination. A letter will be sent electronically to each participant closer to your departure.
